ALTERNATIVE EDUCATION PROGRAM USING MEDIA SITE WEBCAST 2008-09

Media Site Webcast Presentation:

The Department of Public Instruction, through the Department of Administration, has webcast presentations available for viewing on demand from anywhere with computer access. Use of Media Site allows school districts and interested parties to attend a workshop without traveling to the workshop location.

Accessing Media Site Presentations:

The presentation catalog that displays all media site presentations can be found here:

<http://media2.wi.gov/DPI/Catalog/>

A demonstration of how to use media site has been prepared by the Community Nutrition Team and can be accessed by going to the above webpage: <http://media2.wi.gov/DPI/Catalog/>

Click on Community Nutrition Team

Select: An Introduction to Navigating Webcasts

Watching the Webcast Presentation on Alternative Education Program Grants:

After January 7, 2008, the presentation will be available for viewing. To access the presentation go to the presentation catalog: <http://media2.wi.gov/DPI/Catalog/>

Click on 2008 Events

Search for: Alternative Education Program Grant Workshop 2008-09

When you watch the webcast presentation it will be helpful to have the grant packet (application, fact sheet, and Q and A) with you for reference.

Questions:

During the playing of the webcast presentation you may click on the question mark next to the word "ask" above the video. A question will be forwarded to Beth Lewis. You may also email or call Beth Lewis directly using the information below:
